In game one the Chieftains received a great pitching performance from junior righty Trevor Troxel. Trevor would pick up the win going four innings, giving up just one hit. Jared Roen would pitch the final inning to help nail down the win. Coach Thompson "Nice pitching performances and excellent defense again tonight."

In the first the Bulldogs would get a one out walk but moments later Tyrrel Anderson would throw out the runner trying to steal second. Coach Thompson "Tyrrel has really improved his throwing and that is going to be big as we head down the stretch." In the bottom of the inning we would grab the lead. Jared and Brett would pick up back to back walks to start the game. The two would then execute a double steal and we had runners on second and third. One out later Elijah Cannon would scorch an RBI single and it was 1-0. Trevor T. would follow with an RBI ground out and it was 2-0.

In the second we added three more runs. Tyrrel would lead off with a walk and Max would single to move courtesy runner Charlie Luck to second. Bradon Roen would then drop down a nice sac bunt to move the runners to second and third. Jared would rip a ground ball to short that was misplayed allowing a run to score. Brett stepped up next and lined an RBI single and it was 4-0. Trevor Johnson would then drive in Jared with a sac fly and we were up 5-0.

We tacked on three more in the third. Trevor T. would start things with a walk. Tanner would then single. One out later Max would reach on a fielder's choice and we still had runners on first and second. Bradon would then deliver an RBI single and after Jared walked we had the bases loaded. Brett then drilled a two run single to right and it was 8-0.

In the fourth a nifty Trevor T. to Brett to Zach Swaziek double play ended the inning. In our half of the inning we scored four more. Elijah would lead things off with a sharp single. Walks to Trevor T. and Tanner loaded the bases. Tyrrel then ripped an RBI single to left and it was 9-0. One out later Bradon lifted a sac fly to make it 10-0. Jared would walk and the sizzling Brett Hach would follow with a patented two run double to right center to make it 12-0. Coach Thompson "Brett has done a great job all year, he can really drive the ball to right."

Jared Roen would come on to work a quick fifth and we had a 12-0 win.
