

Hello Riverdale Parents and Guardians,

As we move into February, we want to inform you about an important upcoming referendum on Tuesday, April 1. The vote will impact the future of our schools and our students.

Our district has been diligently assessing and addressing the evolving needs of our schools, from maintaining safe and effective learning environments to ensuring we are equipped to support student success in the years to come. The upcoming referendum provides us with a critical opportunity to secure the funding necessary to continue enhancing the educational experience for all students.

We understand that you may have questions about the specifics of this referendum, and we are committed to providing you with clear and transparent information. We will host informational sessions over the next two months, provide detailed resources online through our Riverdale webpage's Referendum 2025 section, and encourage open dialogue with our community. We encourage you to participate in these discussions so that you can make an informed decision about your vote.
